More info...

Experience the Passion of Christ - in 140-character bursts. In a marriage of Christian tradition and digital technology, Wall Street's Trinity Church is using the micro-blogging service Twitter to perform the story of Jesus Christ.

The lowahawk Council of Automotive Advisors Blogging The Auto Bloggers (Jalopnik)

Political humorist and car writer David lowahawk Burge has posted an exhaustive list of advisers he would sign if President Obama appointed him to take care of Detroit....

Blogging

Tiny URLs Get Ever More Tiny (IT Management)

The popularity of sharing links via micro-blogging services like Twitter has created a flurry of competition among Web services that shorten those links with alternative names, known as aliases ( define ) in Web parlance.
